

What keeps you up at night gets us up every morning.

Making sense of the electricity market isn't the purpose of your business. It's ours. So put us to work for you so you can focus on what really matters.

Maximize the return on your energy investment with a solution that works for your business. We offer low prices, custom energy solutions and best in class account service with 95% satisfaction.¹

WHY TXU ENERGY

Savings with Certainty

Get the right product at the right price, with no surprises – and save even more with our incentive programs.

- Use TXU GreenBack funds to make simple energy efficiency improvements that deliver ongoing savings.
- Earn TXU Reduction Rewards when you lower your use during peak demand periods.
- Cut costs while remaining at peak operating levels with a predominant use study and energy audit.

Experience with Credibility

Work with local experts who understand the importance of cost-effective power to your business.

- Rely on a dedicated team focused on solving your unique needs.
- Get help solving any issues with your local Transmission Distribution Utility (TDU).
- Make informed decisions with the help of timely market data.

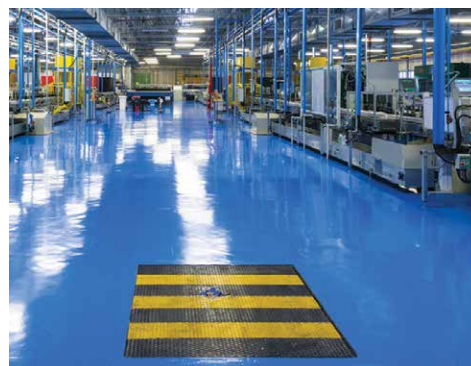

Solutions with Control

Choose from flexible products designed to meet your load demands.

- Get a custom product that fits your operational profile, no matter the size of your operation.
- Track and optimize your use with our online Load Analyzer tool.
- Take advantage of infrared scans to ensure optimal wiring and equipment integrity.

"I get to focus on my job instead of worrying about my electricity. I know I'm getting good pricing strategies, competitive rates and great service from TXU Energy."

– Manufacturing and service leader for retail, health care and hospitality industries

It costs you nothing to see if we can save you something.
