

WHY TXU ENERGY

What keeps you up at night gets us up every morning.

Making sense of the electricity market isn't the purpose of your business. It's ours. So put us to work for you so you can focus on what really matters, like reaching your revenue goals and keeping your properties financially productive. We can help you bring energy ideas to life that are friendly to both your customers and the environment.

WHY TXU ENERGY

Sustainability with Convenience

Get paid to conserve energy, improve sustainable building design and meet LEED certification goals.

- Use TXU GreenBack funds to make simple energy efficiency improvements that deliver ongoing savings and create an attractive space for tenants.
- Make affordable renewables a reality with wind, remote solar or a custom onsite solar solution.
- Earn TXU Reduction Rewards when you lower your use during peak demand periods.

Customization with Control

Take charge of your electricity usage and spending across properties.

- Track and optimize your use with our online Load Analyzer tool.
- Easily add or delete new sites with our energy program.
- Meet your operational goals with a contract designed for the way you use energy.

Experience with Credibility

Rest assured in our best in class account service with 95% satisfaction.¹

- Work with a Texas-based team of energy experts.
- Make informed decisions with the help of timely market data.
- Choose a brand trusted by large commercial real estate companies across the state.

"We're always looking for a good price, but information like market updates is important, too. The combination of that and accurate monthly billing from TXU Energy makes my job easier."

–International residential and commercial real estate company

It costs you nothing to see if we can save you something.
